TOUR NAME: PRAGUE – SEPTEMBER 2017

IMPORTANT INFORMATION ABOUT YOUR TOUR

Flight Schedule: Please see the flight schedule for this package. Your flights from Tampa to Prague are on Delta Airlines. Note that airlines may change flight schedules even after flights have been confirmed, and we are not responsible for such changes. You may call Delta Airlines at 1 (800) 241-4141 if you have any questions regarding the flight schedule.

DATE	FLIGHT	FROM	TO
9/12/17	DL 3703 V	TPA	JFK
9/12/17	DL 411 V	JFK	PRG
9/24/17	DL 211 T	PRG	JFK
9/24/17	DL 209 T	JFK	TPA

Please make sure to allow sufficient time for clearing immigration and customs if you are planning a connecting flight. Because schedules can change, we strongly suggest that you leave plenty of connecting time—at least 3½ hours—between flights. And if you are traveling during March or mid-October to mid-November, when airlines traditionally modify their schedules, we suggest that you allow 5–5½ hours between flights. It's not worth missing your flight!

Seat Assignments. The airline carrier will typically assign your seats within 24 hours of departure, either when you check in at the counter or during online check-in (if available).

Passport and Visa Information. U.S. citizens must have a passport which is valid for at least six (6) months after your return date, though we recommend at least a year. U.S. citizens holding a valid passport are permitted to enter the Czech Republic for up to 90 days without an entry visa.

If you hold a passport from another country, you are responsible for obtaining any necessary visas and meeting all entry requirements and must check with their respective consulates as to the most current visa registration form. Please ensure names, dates of birth and passport numbers exactly match what is on each traveler's passport. Due to TSA Secure Flight regulations and airline requirements, any errors may result in additional fees, cancellation of your booking, and/or prevent boarding of flights or entry to some countries. Any change in the information provided may result in additional fees.

- Please note that it is your responsibility to obtain the necessary travel documents before the trip. **It is the responsibility of each traveler to determine passport and visa requirements** and to comply with them and to secure all necessary travel documents. To avoid disappointment and unnecessary expenses, please carefully review the requirements so that you can obtain all necessary documents well before your trip. Requirements are subject to change, often without notice, and we suggest you verify requirements with the relevant embassy or consulate. **Airlines may deny boarding and your trip may be disrupted if your passport and visa are not in order.** We will not be held responsible for any charges, trip interruptions, or cancellations due to incorrect or missing visas, nor will travel insurance cover your lost expenses.
- **Any changes in names or passport information** should be reported to us immediately. We strongly suggest that you verify all changes with TSA and Delta Airlines prior to departure to avoid any potential disruption, cancellation or delay of your travel itinerary.
